

Quality Policy Statement.

By implementing processes and procedures specific to our activity and relevant for the company, PRODEX WORLDWIDE makes sure to:

- Continually improve the quality of service provided to our clients
- Regularly assess the quality of service of its subcontractors.

Improving our performance with our clients helps us gaining market shares, which is the main objective.

By its commitment to that quality policy, PRODEX WORLDWIDE aims to:

- Continually improve the service provided to its clients,
- Self-assess by assigning a Quality rating on the services provided,
- Change the procedures in the light of the disruptions observed,
- Ensure the in-service training of its employees,
- Ensure that the rules and procedures are well understood and applied within each service of the group,
- Assess its subcontractors to make sure they meet PRODEX WORLDWIDE's quality standards.

Quality being a common concern, we count on every employee of the company to get fully involved in our quality policy. Thus, we will gain in efficiency, achieve our objectives and earn the trust of new clients.”

A handwritten signature in black ink, appearing to read 'Adrien Perdriat', is written over a white background.

Adrien Perdriat
Managing Director

NOTE: The Board of Prodex will ensure that the Quality policy is clearly understood, implemented, maintained, and communicated at all levels in the organisation. Senior Managers shall take the Quality policy into consideration in the development of objectives and targets.
